To Whom It May Concern

**Re:** Entertainer Karen Thirlwall

Inspired Group is a full service destination and event management company based in Whistler, British Columbia. As the premier event company in Whistler, we regularly contract a wide variety of musical and novelty acts to entertain our high-end corporate clientele.

Karen Thirlwall has performed for several of our groups in both last and the current year (TD Canada Trust, Jack In The Box Restaurants Corporate Conference, Boston Scientific Medi-Tech etc.). It is always with much pleasure that we recommend Karen to our clients, as we are always guaranteed a high-end sophisticated performance. The guests have always been delighted by her music and style and the clients have given us excellent feedback on her ability to not only engage the audience but also to read what each group will respond to.

As an event company we place a high degree of trust on our entertainers' professionalism and reliability. Karen Thirlwall is, without a doubt, one of the most professional performers we have worked with. She always arrives on site early, ensures that her appearance is appropriate for the event in addition to paying attention to the small details in her set-up.

I am pleased to highly recommend Karen Thirlwall to any potential clients or event company. Should you require any further information please contact me directly at 604.905.3944.

Dear Karen,

On two different occasions the Delta Lodge at Kananaskis has approached you to perform for a group of clients and colleagues – to enhance the ambiance of the room, entertain and interact with the guests/audience. In both cases you have done just that and more.

You have connected with your audience, adapted/customized your performance to suit your audience and engaged them. To this day, I receive positive feedback on those evenings with respect to how “wonderful” and “suitable” you were.

Karen, you are a talented individual who delivers an extensive repertoire of material in a personal and approachable fashion. I would certainly recommend you to any client and look forward to the next time I may enjoy your music.

Thank you.  
Sincerely,  
Joanne Perschbacher  
Director, Sales and Marketing

I had the pleasure of attending our 2005 National Sales Conference at the Delta Lodge at Kananaskis. One evening was a casual setting where the hotel team had transformed the entire ballroom into an outdoor wilderness setting. An exceptional function complimented by the music talent of Karen Thirlwall.

The evening was a great success with excellent audience participation due to Karen's wide range of music selection and outstanding vocals and her ability to connect with the audience. You would be well advised to consider Karen for your functions music needs.

Sincerely,  
Hank Stackhouse
